### Speech Therapy Tip 3

*Fortnightly tips for the home.*

**Storytelling prompts** – Kids love to tell stories. If you're child has a habit of telling long-winded and poorly sequenced story, try these prompts.

Remind your child to include the important parts of a sentence, **who/what** it's about, **what** action happened and **who/what** did the action happen to. Provide the structure for their sentences when they may not remember to.

# Thank-you!

# Help needed....

Do you have a stroller that you no longer use? One of our KCPS families is in desperate need of a second-hand stroller to make the kinda run!
