Happy Birthday

We would like to wish the following students
a Very happy birthday for the past few weeks:

Science

Science week is August 9th – 17th KCPS celebrated with our Science activity afternoon on Wednesday 13th August.

Students enjoyed two activities: Animal Tracks and Sending Messages.

Animal tracks involved students investigating how to make different animals foot prints. Students used toy animals with footprints to make impressions in a cornflour/cocoa mixture.

Sending messages involved students sending messages with torches. Students developed a code with their partners and then sent messages to each other.

We finished off by coming together to watch an Elephant Toothpaste experiment. As with all experiments you can't predict the success and the result wasn't quite as big as we'd hoped.

Thank you to all the staff and students for a great afternoon.

PRE-LOVED UNIFORM SHOP

We have our Pre-Loved Uniform Shop up and running again. All the second hand uniform has now been sorted and is on shelves according to size and it's easy to see what items are available. We'd love to add to our supply of pre-loved uniform to help our families, so if you have any good quality, clean second hand uniform that no longer fits and would like to donate it to our shop, it would be greatly appreciated. Just drop it at the office.

If you would like to purchase pre-loved uniform, please visit the office.
