Happy Birthday

We would like to wish the following students
a very happy birthday for the past few weeks:

Matilda and Zane

This week in Grade 2/3 we have been starting to look at a comprehension strategy called making connections.

Students make connections to themselves, to another text or the world beyond the text to make meaning of what is being read.

They did a cloud craft activity with a book of their choosing, making connections with themselves, another text and beyond the text.

PFA POST

Reminders

PRE-LOVED UNIFORM SHOP

We have our Pre-Loved Uniform Shop up and running again. All the second hand uniform has now been sorted and is on shelves according to size and it's easy to see what items are available. We'd love to add to our supply of pre-loved uniform to help our families, so if you have any good quality, clean second hand uniform that no longer fits and would like to donate it to our shop, it would be greatly appreciated. Just drop it at the office.

If you would like to purchase pre-loved uniform, please visit the office.
